Dear Mr. Sneddon:

As I advised you on September 7, we are interested in acquiring additional land from you for the capacitor yard expansion at Conkelley Substation. I am attaching three copies of a map showing this area together with the option papers. This parcel aggregates 1.15 acres, and we have appraised it at \$1,450.

I would appreciate any comments that you may have. Your help and cooperation in this matter are greatly appreciated.

Sincerely yours,

John V. Mulcahy
